Dear Parents and Carers,

Welcome to the start of a new academic year to both new and returning families.

At Daylesford Academy we believe in fostering a strong partnership between home and school. Your involvement and support are crucial in helping our children thrive. Together, we can create a nurturing environment where every child can reach their full potential.

We emphasise the importance of attending school every day. Consistent attendance is key to your child's success, helping them build strong foundations and stay engaged with our curriculum pathways. Our goal is to inspire our children to become lifelong learners and responsible citizens.

Our dedicated and hard-working staff have been busy preparing for this new year. They are committed to providing a strong support base to help your child make progress.

Thank you again for your support and if you have any questions or concerns, please feel free to contact me or the leadership team.
